

2PC Church Soccer Registration for JK

The Recreation Program of Second Presbyterian Church is a church-supported nonprofit program designed for boys and girls ages 4-12. Second Presbyterian Church has provided this program for over 20 years teaching and coaching youth the many values athletics have to offer.

The mission of the 2PC Recreation Program is to combine spiritual fortitude with athletic experiences to produce well-rounded boys & girls of moral character. 2nd strives to place the athlete first and winning second in all its youth sports programs. Through competition, we hope our athletes will learn how to win and lose graciously while competing with diligence that would be pleasing to our Lord and Savior. We want to teach these boys and girls about different life values that are talked about in the Bible. We want them to have fun, as well as learn about soccer.

Questions and Answer Form

How do we select teams?

Our goal in selecting teams is to make each team equal in athleticism, age, and grade so each child can receive the best opportunities to succeed. Our procedure is made up of 3 step processes: 1) to evaluate each child's physical ability compared to their age. Former coaches and the staff at 2PC perform these evaluations. 2) To divide each team with an equal amount of age/grade athletes. 3) To accommodate at least 1 of 3 friend request for each child.

How do we select coaches?

Our goal is to provide every child with a coach that knows the important skills of the game and who also knows the love of Christ. Each of our coaches have different ways they present their knowledge, but all understand the importance of producing well rounded men and women of moral character.
