

# Daryl & Marlene Bussert June Update

---

**Month:** June 2017

**Missionary:** Daryl and Marlene Bussert – JAARS/SIL International Aviation Safety

**Location:** JAARS, Waxhaw, NC

## Praises

- Thank God for successful completion of the audit in Peru.
- Praise God that Marlene and I arrived in Africa on schedule and that our time in Lokichoggio, Kenya and Arua, Uganda have gone well. The rest of the team is supposed to arrive today (25 May).
- Please bring thanks to our Lord for healing from a back muscle strain and spasms that Daryl experienced. This was quite painful and movement was restricted much while traveling from Lokichoggio to Nairobi to Entebbe to Arua.

## Requests

- Please pray for the whole audit team here in Nairobi as we complete the major portion of this audit. We start the audit tomorrow morning (Friday 26 May), Bill Wulff's flight schedule was disrupted and will be arriving 9 hours late after being routed through Dubai. Pray for strength for him, he will not have gotten to bed either Wednesday or Thursday night.
- Pray in June as we all travel back to the US (2 June), recuperate from this demanding audit at these three remote locations, as we compile and present audit debriefs (both Peru and Kenya/Uganda) and get caught up on normal duties and demands that grow when we are gone.
- Pray as I am working to get a prospective candidate to help long-term in our department up to visit JAARS. They are very busy now, but I would really like to get them up here in June or July.

Thanks for being on the team,

**“For the Word of God, and for the testimony of Jesus Christ” —Rev 1:9b**
