Hi Friends,

We pray this email finds you well. We are well into mid-summer here in Buenos Aires and the temps have been in the 90s and even 100s degrees. Needless to say it has been a hot summer and we hear it has been a cold winter up North!

We have some updates and prayer needs to share with you. It is always clear to us when things get intense it is a reminder to call in the intercessors!

Our prayer requests are going to sound intense. We praise God He is with us and protecting us.

- Please pray for Pablo in our small group. He was shot in the leg a few weeks ago in the neighborhood. Thankfully the bullet missed any major arteries and he is healing well. Please pray as he is a new believer and these are people that know him from his old ways.

- Pray for the rest of our small group in Fatima. If you recall from an older prayer update, the youth that was falsely accused and almost went to prison, is now free of charges and is attending our small group with his girlfriend. Keep them in prayer as they hear and study the scriptures with us.

- Pray for Kyle and his family. His aunt is very ill and he will be traveling in February to be with his mom and family during this time. He will be in Nashville for a week. Pray for Claudia and the kids as they stay in Argentina.

-Lastly, pray for our safety. Isaiah was robbed today once again in front of our home at knife point. Thankfully he is fine and only his cell phone was taken, He was fine until the reality of what happened hit him. Pray the fears subside.

Thank you for supporting and walking with us in prayer. We look forward to taking a short break in Feb to recharge, renew, and restore.. as we prepare for the coming ministry year. Lots ahead. Pray as we seek the Lord for clarity as to 2018 and the different areas we are involved in.

Blessings to you and let us know how we can pray for you!
